

Adobe Connect: Ready for class

- *engage students in your online classroom using Adobe Connect*

In this Adobe Connect online course, you will learn how to plan and conduct online teaching using Adobe Connect as a virtual classroom. You will learn all available functions in Adobe Connect from A to Z you will gain both technical skills and knowledge of best practice that ensure your courses will remain engaging and relevant.

The course will teach you about tools, design of virtual classrooms, group assignments and how to mix your presentations with motivating exercises for your students. You will also learn how to record your classes and make them available for your students to review lessons and prepare for exams in their own pace.

All participants in the course will receive a certificate as proof by completion of the course.

In this course you will learn how to:

- Design classrooms, create polls, create interactive content for your participants and structure your webinar to give it the right *flow*.
- Manage all the technical challenges preconditional for a great webinar. E.g. How do you improve the sound? Which webcam should you use? How do you hand the mic to a student?

Price:	€ 200,- per participant (ex. VAT)
The course includes:	<ul style="list-style-type: none">• A two-hour online course containing smaller exercises for participants• A complete manual for Adobe Connect• A certification diploma
